With specific reference to the broadest claim, claim 22, and to the prior art applied during prosecution of the instant application, neither Finch et al. nor Peppiatt et al. teach or suggest the third sheet (10 and 28 respectively) substantially overlaying the inner surface of the first sheet while only partially extending into the opening of the envelope, as specifically recited in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
